## Together in Adventure and Discovery

### A Message From Mrs Best and Mrs John

We have thoroughly enjoyed our learning this week particularly in mathematics. Class 1 have been learning to add one more and take away one less. They have used different objects to help them count and have written excellent corresponding number sentences. Well done to Sarina who was very proud of her work!

Class 2 have been using dienes to work out which numbers need to be added together to make the target number. Well done to Lilliana who really enjoyed this activity.

Class 3 have been mastering their formal written methods for addition and they have been focussing on both the expanded method and the compact method. They have even extended their learning to find the missing numbers in addition sums:

Expanded Method:	Compact Method:	Missing Numbers:
$\begin{array}{r} 6,374 \\ +2,823 \\ \hline 7 \\ 90 \\ 1,100 \\ 8,000 \\ \hline 9,197 \end{array}$	$\begin{array}{r} 6,374 \\ +2,823 \\ \hline 9,197 \end{array}$	$\begin{array}{r} 3 \ 8 \ 8 \ \square \\ + \ \square \ \square \ \square \ 3 \\ \hline 1 \ 1 \ 6 \ 2 \ 8 \end{array}$

### Staff News

We have some very exciting news to share, congratulations to Mrs Marie who has been successfully appointed as a Senior Administrator at a school in the South Hams. Her last day at Landulph will be Friday 20th October, the final day before half term. She has been a long standing member of the school community who will be sorely missed by us all. Her hard work and determination has ensured that the office and school runs as smoothly as it can. We cannot thank her enough for her dedication to Landulph and we are wishing her well as she begins this new chapter!

### Childcare Vouchers

We are pleased to announce that we have been successful in signing up to a variety of childcare voucher schemes to support payments to our wraparound care service – Edenred, KiddiVoucher, Childcarevouchers and we are currently registering with Sodexo. If you use a scheme not listed, please do contact the school as we are able to accept most voucher schemes. We would also welcome block payments for our wraparound care using the voucher schemes.

#### Governor Vacancies

Thank you to those who have already filled out the governor skills audit to be a Landulph School governor. We need more governors so we are running the vacancy for a further two weeks.

Landulph School needs your help to be the best school it can be. The vacancy will close on Friday 13th October. Please see the details below for information:

The Local Governing Committee (LGC) of Landulph School currently has vacancies for school governors.

The roles, which are voluntary positions, are to contribute to the work of the LGC in ensuring their pupils receive the best education available.

They are particularly keen to appoint governors who can strengthen existing links with the school and local community. If you would like to make a positive contribution to the education pupils receive at our community school, please complete an application form which can be obtained from the Clerk to Governors (contact details below). Further information on the role of a governor can be found at <http://www.nga.org.uk/Be-a-Governor.aspx> or from the Chair of the LGC, Kevin George who can be contacted through the Clerk.

The completed application form should be returned to the Clerk, Debbie Stoneman by email to [debbiestoneman@trailerland.co.uk](mailto:debbiestoneman@trailerland.co.uk) or post at 'Flerswell', Trehunist, Liskeard PL14 3SD All applicants will be contacted in due course.

#### Save the Date ~ Grandparents Lunch

On Wednesday 15th November we are delighted to be hosting our ever popular Grandparents lunch.

On the menu this year will be a roast lunch followed by a pudding for £2.76. Further details and booking form to follow, numbers will be limited.

#### Cushion Filling

Parent Mrs Cook has some great fabric that she is willing to make into cushions for the classrooms, all we are short of is the actual filling for the cushions, if you have any filling material of old cushions that you no longer require and are willing to donate to the school please can you let us know, thank you.

#### Parking

We strive to ensure that all children are kept safe during drop off and pick up times as well as respecting our neighbours who live close to the school. **Please ensure that their garages are not blocked and that there is enough room for the residents to get their own cars in and out of their garages. Please also ensure that you do not park on the crossroads as this does cause a hazard to other drivers. Please can I also ask that you do not park directly outside the school at any point unless you have direct agreement from the school.** Parking in front of the school is a hazard to our children when buses are dropping off and picking up. Often tractors with large trailers will pass at speed and the road directly outside the school is narrow. I understand that it must be hard to park around such a small school but we appreciate your support in keeping all the children at Landulph safe.
