### A Message From Mrs Best and Mrs John

This week has been incredibly busy once again. On Monday we spent a full day interviewing for a new permanent Teaching Assistant; we were swamped with applications from which to choose the perfect person for our children. We are thrilled to announce the appointment of Miss Jenkins, who is currently a TA at St Martins and is incredibly excited about joining our lovely school. She is very capable, warm, friendly and experienced.

We were joined by our Governors for the day on Tuesday, who carried out their termly review of the school, including observing lessons and attending many meetings to discuss all aspects of school life and its future. The following day the children in Classes 1 and 2 thoroughly enjoyed a vocal workshop run by the Cornwall Music Service, which was extremely well received.

I have had the privilege of reading through the end of year reports for our foundation children, ready to go out on Monday. They are such a lovely group of children who have made fantastic progress this year, really enjoying the Early Years curriculum. I know that they are ready to move into Year 1 in September and they will all be very special friends to the new Foundation children, as they are to each other.

By Thursday morning the school was alive with enthusiastic children eager to leave the confines of school behind and begin their two day adventure in the Eden Project with Miss Colebrook Clark and Mrs Plumb. They stopped off at Antony House on the way for an inspiring session of den building, after which they continued on their travels to Eden, where they were met by Mrs Best, who spent the night there too. We were immensely proud of our Bude children last week and I know the same will be said for Year 2 and 3. Our children always shine even more brightly when they're in public!

And so it is that we have arrived at the weekend for a well-deserved rest!
