Landulph School PE and Sports Grant Evaluation and Sustainability

What impact have we seen on pupils' PE and sports participation, attainment and development of healthy lifestyles?

Teacher Professional Development

1. Arena package incorporating CPD
2. Saltash.net
3. Gymnastic CPD in two classes for 1 hour a week for 6 weeks
4. PAFC CPD across whole school over three terms.

- Staff enhanced CPD in assessing and teaching PE.
- Sharing ways funding has been spent across the county and measuring the impact.
- Transitional benefits for children attending saltash.net
- Increased interest in sports, especially athletic field events.
- Staff CPD in gymnastics and Football.
- Children increasing confidence in leading and arranging sports activities for younger children.
- Sports leaders being set up at play and lunch time to support less active and younger children
- All children are being encouraged and motivated to take part in sports during and outside of PE lessons.

All children are engaged and excited to take part in PE lessons. Children have been transferring skills from their PE lessons with Jenny Nash and PAFC into their play times, promoting a more active lifestyle for more children.

	<p>Staff are feeling more confident and competent in their teaching of PE, and this has lead to many discussions about how we will teach and assess PE in the future.</p> <p>All children, regardless of sporting ability or wealth are trialling and enjoying a range of new and familiar sports. All children are becoming increasingly active and enjoying sport.</p> <p>Children have a wide range of opportunity to compete against other schools through the Arena and saltash.net packages. Children are developing a range of skills and confidence, as well as a sense of determination, competitiveness and pride in their sporting achievements. Children are trialling a range of new sports and skills and this helps to promote a more active life style whilst broadening their interests and horizons.</p>
<p><u>Teaching Enhancement</u></p> <ol style="list-style-type: none"> 1. Yoga programme for whole school approach 	<ul style="list-style-type: none"> • Wellbeing becoming a focus for the whole school. • Children are beginning to use techniques to try and focus minds during lessons and before assessments. • Developing agility and balance. • Children are developing fluency of movements and sequencing. • Teacher and TA CPD. • Yoga workshop incorporated into healthy schools week. • Yoga club created for KS1. <p>All children across the school have partaken in differentiated Yoga activities and sequences. Children have been developing their mindfulness and wellbeing through a range of relaxation, meditation, stretching, balancing and breathing exercises shown through the yoga scheme.</p> <p>Children have been able to experience Yoga and many participated in the Yoga club and have even started to use the yoga scheme to help them start their day.</p> <p>The Yoga scheme has helped to promote wellbeing and relaxation whilst also supporting the development of fundamental skills for all children, including balancing and stretching and building strength.</p>
<p><u>Learning Enhancement</u></p> <ol style="list-style-type: none"> 1. Coordination Club 2. An adult sports leader for half an hour each lunchtime 3. Plymouth Argyle football coach to lead football club for one hour per week 4. Orienteering club resources 5. Water table for Class 1 6. Sand box and lid 7. Life saving skills – Rookie Lifeguard Training and transport to leisure centre 8. Residential subsidy and transport 9. Run For Fun Club 10. Cross country club 11. Agility tables – set of 4 12. Spring board 13. Netballs and pump 	<ul style="list-style-type: none"> • Promote a healthy and active life style for more vulnerable and disadvantaged children. • Building fine and gross motor skills through coordination club. • Promoting confidence of less active pupils in sport. • Specialised club for KS2 children by PAFC. • Promoting football amongst girls. • Engaging, supporting and promoting boys’ enthusiasm and interests in football and PE. • Widening range of clubs made available to KS2 children. • Supporting early years and their development in outdoor learning and sensory exploration. • Supporting disadvantaged children and all children in Y4, 5 and 6 to experience a range of outdoor activities. • Promoting a love for fitness and running throughout the school. • Enhancing the experience of gymnastics for all children. • Providing supporting equipment for PE clubs to help promote sport for children across the school.

	<p>Supporting all children to experience a range of sports within and outside of school through subsidising lifesaving skills costs and residential transport fees. This will ensure that all children are able to participate and access the same experiences and promote a love for a range of activities.</p> <p>The new sporting equipment helps to support the range of sporting clubs which the children have requested and participate in. This helps to ensure that clubs have the equipment needed to make their clubs enjoyable and effective in building skills and a love for a new sport.</p> <p>PAFC, run for fun and cross country have ensured that there are ample sporting clubs made available to all children across the school for free and help to build skills and promote a love for sport.</p>
<p><u>Interschool collaboration</u></p> <ol style="list-style-type: none"> 1. Inter schools cross country running competition with Year 7 at Saltash.net 2. Sports Festivals throughout the year for each class 3. Transport to festivals 4. Cross country reflective vests 	<ul style="list-style-type: none"> • Cross country running with Year 7 at Saltash.net (only primary children invited). All very confident. • Swimming gala – Year 6 team of 4 girls (1st time entered) November Came 2nd out of 10 teams. • Cross Country League October – February • Netball league at Saltash.net- October to March • Year 5 and 6 mini Olympics – spring term • KS1 festival – summer term <p>The children have developed their confidence and resilience from taking part in interschool activities. The teachers have developed their skills throughout the year with the CPD provided and are confident to teach all aspects of PE.</p>
