A Message From Mrs Best

Wow, what a fantastic Spring term we have had at Landulph School! The term has been full of exciting opportunities especially science week this week. It has been a fun filled week with the whole school taking part in a variety of exciting science activities in their classes each day. On Wednesday we were wowed by the Fizz Pop science company and their 3, 2, 1 blastoff workshop. The children made their own straw rockets, used their best jumping power to fire a horizontal rocket and finished by launching a large fuel powered rocket over 100 feet into the air!

We hope you have really enjoyed reading your child's school report and can see the excellent progress your child is making. Staff are really excited to share with you the excellent work in books and discuss how well your child is doing at the Parents Evenings after the Easter break. You will be notified by the end of today the time of your appointment. It is also an opportunity to recognise all the hard work our staff put into Landulph School. The team really are so very dedicated to our school and children and you will know that the car park begins to fill at 7am each morning and often empties after 6pm. Please join me in wishing all staff a restful break which we hope will be full of spring sunshine.

For those of you who have joined us today, we hope you enjoyed seeing what all the classes have been up to. Thanks to all of you who have helped with the school clear up today. We have really lovely grounds that I know the children will really begin to enjoy with the drier weather.

On a sad note, we wave a goodbye to Mrs Manners who has only been with us a short while. She has achieved so much whilst being with us including setting up ParentPay. We wish her all the best for the next chapter in her life. We have advertised the position and we are due to appoint in the first week back. Please bear with us whilst we do not have a school secretary. Mrs Tucker will return in the short term and help out where possible. Letting us know home time arrangements before 10.30am, as stated in our home school agreement, will really help with the smooth running of the school and ensure that our children are kept safe. This can be done by phone or to the secretary@landulph.cornwall.sch.uk address which will continue to be monitored.

Congratulations to this week's Class Cup winners:

Class 1 - Serena Class 2 - Mylee Class 3 - Archie

Well done to this week's lunchtime award winners:

We wish you all a Happy Easter and look forward to seeing you all on Monday 16th April.
