### A Message From Mrs Best

We have really enjoyed hearing all the snow stories from the children and sharing their pictures on Tapestry showing the children having so much fun. Those memories are priceless. We were so excited to see the snow start to fall on Wednesday and could not quite believe how quickly it set in. A big thank you to you all for helping the school to close so quickly, ensuring that all families and staff were able to go home safely. We sadly do not have an easy text service to let parents know quickly, due to costs, but we had an effective plan in place that worked. Thanks also to Sarah Lavis who was our link parent to get messages to other parents as quickly as possible.

We welcomed our grandparents in this week to celebrate St Piran's Day. It was sadly not the event we had planned, due to the pasties not being delivered as a result of the snow. Despite this, I know the children thoroughly enjoyed having their visitors and the fish and chips felt like a good replacement for the Cornish tradition! Thank you to Debbie and the lunchtime team for catering so deliciously for everyone.

We also celebrated a brilliant belated Landulph Book Day, having a great day with children working together across the whole school. The costumes were phenomenal and the children were incredibly proud to share who they were. Well done to the team of Year 6 children who entered the UK Maths Challenge at Saltash.net competing against eleven other schools. It was a tough challenge, involving a whole day of solving maths activities collaboratively and our children achieved a very respectable 4th place!

We wish the Cross Country team good luck today for their final competition of the year. We are also excited to support Isaac in Year 5 as he prepares for the county championships next week in Newquay.

A polite reminder that staff are always happy to see you during drop-offs and pick-ups but these times are really busy as we prepare the children for the day ahead. If you need some dedicated time to speak to a member of staff, this can be arranged. Also, our annual school reports for children in Years 1-6 come out towards the end of term and our parents evenings will be in the first week back (Monday 16th

Congratulations to the following children who have received this week's class cup:

## Year 4/5 Information Evening

Every year our partner primary schools very kindly allow us to arrange an Information Evening for pupils and parents during the Spring Term.

The main purpose of the event is to provide general information about the primary to secondary transfer process. Details of how this applies to saltash.net community school will also be given and there will be plenty of opportunities for you and your son/daughter to ask questions. We are also really excited to be able to showcase some of the fantastic work our students have produced in the recent months at this event.

Some of our students will be in attendance to share their own experiences of moving from primary to secondary school. They will also give you and your son/daughter a flavour of what life is like here at saltash.net community school.

This year's Information Evening is to be held at **saltash.net community school on Thursday 15<sup>th</sup> March at 6pm**

Amy Feldwick, Head of Transition and I look forward very much to meeting you at the Year 4 and 5 evening shortly. We hope you will find the event helpful.

Into The Woods

**Jim** (Landulph School mascot) has very exciting news to report! He has been out on location recently with Poppy from Class 3 and was specially invited by her Page 2 Stage drama group to preview the rehearsals for their up-coming production of **"Into the Woods!"**

This show is a fantastic musical mash-up of some classic Brothers Grimm fables – Jim recognised lots of his favourite fairytale characters, including Cinderella, Rapunzel, Little Red Riding Hood, the wolf Jack (+ beanstalk!) **and** a horrible wicked Witch.

It's a roller-coaster adventure and Jim was gripped from the start! With the show only **3 weeks away**, the cast are polishing their performances and really bringing the characters to life. Jim stole a secret glimpse at a few of the amazing costumes and he cannot wait to see the final effect when Page2Stage perform at the end of March.

Poppy would love to see as many of her Landulph friends as possible – see flier for ticket details.
