### A Message From Mrs Best

We have such an exciting summer term ahead of us! Especially with the weather warming up and the tree work being completed this week, we are excited to spend more time outside promoting our love of outdoor learning. Our School Council are also working with all the children and staff to plan the destination of our whole school trip at the end of term. Please let the children know if you have some good suggestions to pass on.

Congratulations to Elaine Potterton who has been successfully appointed as our new School Secretary. She will join us very soon and we will keep you informed. We also welcome Spencer into Year 4 this week who has settled in extremely well into life at Landulph School.

It has been great seeing you all this week at Parents' Evening to celebrate all the hard work and achievements of your children. We hope you managed to meet some of our school governors at the same time and thank you for completing the parent questionnaires. I will write to you again with the outcomes of the survey. We hope you also managed to see and possibly taste the food that Caterlink provide for your children. The children really enjoyed tasting it! For those of you who were unable to make an appointment, please contact the school office to make a suitable time to meet with the class teacher. It really is such a great opportunity to see what your children get up to whilst they are with us.

### Parent Pay

I have discovered an SMS service on parent Pay. Only 50% of you have activated your accounts so if more of you can activate your accounts, we can see if the SMS service is good for communication. Let the school office know if you need your login details or a password reset. We are beginning to add in the residential as well if that is a more convenient way for you to pay.

### Community Events

The community have lots of exciting events on this term as well. This year's Barn Dance at Landulph Memorial Hall is on Saturday the 5<sup>th</sup> May and will begin with a maypole dance from the children of Landulph School. Cindy Rooney is organising it and hopes it will be the beginning of a revival of a very old custom! The performance will be between 6:30 and 7pm to kick off the barn dance and some tickets for the event are being held by the school Secretary; Cindy invites all families to come and enjoy the fun. Thank you to our newest member of staff, Faye Chandler, for preparing the dance with the children. If your child would like to join the Maypole dance for the next two weeks, please sign the consent form attached.
