Landulph School PE and Sports Grant Evaluation and Sustainability

What impact have we seen on pupils' PE and sports participation, attainment and development of healthy lifestyles?

Spending	Evaluation	Sustainability
<p><u>Teacher Professional Development</u></p> <ol style="list-style-type: none"> 1. Arena package incorporating CPD 2. Saltash.net 3. Wild Tribe CPD in two classes for 1 hour a week for 6 weeks 4. PAFC CPD for Class 3 for 1.5 hours per week (£37.50 per week) 5. TA CPD in PE 6. PE subject leader release time 	<ul style="list-style-type: none"> • Staff enhanced CPD in assessing and teaching PE. • Sharing ways funding has been spent across the county and measuring the impact. • Transitional benefits for children attending saltash.net • Increased interest in sports, especially athletic field events. • Staff CPD in Football and healthy living teaching linked to physical movement. • Children increasing confidence in leading and arranging sports activities for younger children. • Sports leaders being set up at play and lunch time to support less active and younger children • All children are being encouraged and motivated to take part in sports during and outside of PE lessons. • Class 1 developing a love for the outdoors and learning using the physical environment. <p>All children are engaged and excited to take part in PE lessons. Children have been transferring skills from their PE lessons with Jenny Nash and PAFC into their play times, promoting a more active lifestyle for more children.</p> <p>We have given a TA in Class 3 CPD in PE from PAFC. She is feeling more confident and competent in their teaching of PE. This has also lead to many discussions about how we will teach and assess PE in the future and we are working towards streamlining this across all of the classes.</p> <p>All children, regardless of sporting ability or wealth are trialling and enjoying a range of new and familiar sports. All children are</p>	<p>All staff have received CPD which has enhanced the teaching of sport across the school. The CPD has helped to secure sustainable practise which has motivated teachers and which they will continue to develop for the school.</p> <p>Children have had the opportunity to attend sporting events which has helped them to recognise sport as an enjoyable, competitive and rewarding part of their lives. This has helped to ignite a love of physical activity for many children and they have embraced it as an important part of their daily routine.</p> <p>PE release time has enabled the PE coordinator to develop within the role and be able to work on how we can deliver the curriculum in a way to motivate and support all children within the school. This will be sustainable as she now feels a lot more confident to continue leading the subject in the upcoming years for the school.</p>

	<p>becoming increasingly active and enjoying sport. This will continue into the Spring Term with the addition of Alternative Sports lead by Go Active.</p> <p>Children have a range of opportunity to compete against other schools through the Arena and saltash.net packages. Children are developing a range of skills and confidence, as well as a sense of determination, competitiveness and pride in their sporting achievements. Children are trialling a range of new sports and skills and this helps to promote a more active life style whilst broadening their interests and horizons.</p>	
<p><u>Teaching Enhancement</u> Enhancement 1. Yoga programme for whole school approach</p>	<p>Wellbeing becoming a focus for the whole school.</p> <ul style="list-style-type: none"> • Children are beginning to use techniques to try and focus minds during lessons and before assessments. • Developing agility and balance. • Children are developing fluency of movements and sequencing. • Teacher and TA CPD. • Yoga workshop incorporated into healthy schools week. • Yoga club created for KS1. <p>All children across the school are partaking in differentiated Yoga activities and sequences as weekly and often daily practise. Children are developing their mindfulness and wellbeing through a range of relaxation, meditation, stretching, balancing and breathing exercises shown through the yoga scheme.</p> <p>The Yoga scheme has previously helped to promote wellbeing and relaxation whilst also supporting the development of fundamental skills for all children, including balancing and stretching and building strength. We aim to continue offering this to the children through the use of The Online Yoga Programme.</p>	<p>Children have developed a love of yoga which is now being used to promote wellbeing as well as to support physicality across the school. Teachers have learnt yoga routines to help them to teach independently and will be able to continue to deliver this for all ages across the school.</p>
<p><u>Learning Enhancement</u> 1. Plymouth Argyle football</p>	<ul style="list-style-type: none"> • Promote a healthy and active life style for more vulnerable and disadvantaged children. 	<p>Children are developing a love of sport through the school's employment of different sports coaches.</p>

<p>coach to lead football club for one hour per week (£30per week)</p> <p>2. Coordination club</p> <p>3. Tennis club for Little Owls – £25 per session</p> <p>4. Tennis promotion – Active lifestyle starter</p> <p>5. Lifesaving skills – Rookie Lifeguard Training and transport to leisure centre</p> <p>6. Residential subsidy and transport</p> <p>7. Cross country club (£20x25weeks)</p> <p>8. Athletics club (£20x13weeks)</p> <p>9. Go Active Cornwall Gymnastics club to be provided across Autumn Term.</p> <p>10. Go Active Cornwall Gymnastics club to be provided across Spring Term</p> <p>11. Go Active Cornwall sports club to be provided across Summer Term</p>	<ul style="list-style-type: none"> • Building fine and gross motor skills through coordination club for focus children. • Promoting confidence of less active pupils in sport. • Specialised club for KS2 children by PAFC. • Specialised club for KS1 children by Go Active. • Promoting football amongst girls. • Promoting gymnastics amongst boys. • Promoting tennis as a sport for all children. • Engaging, supporting and promoting boys’ enthusiasm and interests in football and PE. • Widening range of clubs made available to all children through PAFC and GO Active. • Widening range of clubs made available to all children through the employment of TA staff. • Supporting Early Years and their development in outdoor learning and sensory exploration. • Promoting a love for fitness and running throughout the school. • Enhancing the experience of gymnastics for all children. • Promoting good behaviour across the school and rewarding children who remain on ‘Green’ with the use of fun, green play equipment. • Promoting the importance of well-being for all children and staff with the additional coach time provided by Go Active. • Supporting Class 1 children with their balance and coordination through the use of balance bikes. • Provided stable, reliable and engaging equipment and resources for children to encourage a love of activity. • Introducing children to a range of alternative sports and active opportunities through Go Active and additional sport equipment. • Ensuring that Class 1 children can access the outdoor environment at 	<p>It would not be possible to deliver such a wide range of sports to all children if we were unable to employ additional coaches. The children have had the opportunity to find a new club to take part in and some have decided to join clubs outside of the school linked based on enjoying a sport they have tried in school. This helps children to develop a love and drive for physical activity which we hope will stay with them for a long time.</p> <p>Life saving skills have ensured that we are able to develop cohorts of children who are able to save themselves if faced with dangers in water. Aside from children who have joined very recently, we pride ourselves on ensuring that all of our children are proficient in a range of strokes in water for at least 25m before the end of Year 6.</p> <p>We have purchased green equipment to promote children staying on our ‘Green’ behaviour chart for the week. This has been a big launch in the school and has been really successful. The equipment is fun and engaging for the children whilst also promoting their gross and fine motor skills with different activities and provided them with</p>

<p>12. Go Active Alternative Sports afternoons in all classes for Spring and Summer Term – staff wellbeing and additional physical curriculum time.</p> <p>13. Reward through sport initiative (green reward motor skill equipment)</p> <p>14. Balance bikes for foundation</p> <p>15. Helmets</p> <p>16. Class 1 all-weather suits</p> <p>17. Bench repairs</p> <p>18. Playground climbing frame repairs</p> <p>19. Playground balance beam repairs</p> <p>20. PE equipment</p>	<p>all times and in any weather to promote the outdoor environment and support a range of learning opportunities.</p> <p>Supporting all children to experience a range of sports within and outside of school through subsidising lifesaving skills costs and residential transport fees. This will ensure that all children are able to participate and access the same experiences and promote a love for a range of activities.</p> <p>PAFC Go Active and Cross Country have ensured that there are ample sporting clubs made available to all children across the school for free and help to build skills and promote a love for sport.</p>	<p>exciting and unusual ways to be more active. This is sustainable as we will be able to continue to use the equipment for year to come to embed this as a reward for children who consistently demonstrate good behaviour.</p> <p>The purchase of balance bikes, all weather suits and helmets for class 1 has meant that staff are now able to teach children more complex balance and coordination skills from a young age. This will be able to be used year on year and will benefit all children progressing through the school.</p> <p>We have spent money on repairing some of the PE equipment to ensure that children can continue to receive appropriate PE teaching and develop their coordination appropriately during their time at school.</p> <p>We have purchased updated PE equipment to ensure that we are able to sustain high level of teaching and activity for all children.</p>
<p><u>Interschool collaboration</u></p> <p>1. Inter schools cross country running competition with Year 7 at Saltash.net</p> <p>2. Sports Festivals</p>	<ul style="list-style-type: none"> • Cross country running with Year 7 at Saltash.net (only primary children invited). All very confident. • Cross Country League October – February • Orienteering competition (1 each term) • Netball league at Saltash.net- October to March 	<p>Children have had the opportunity to attend sporting events which has helped them to recognise sport as an enjoyable, competitive and rewarding part of their lives. This has helped to ignite a love of physical activity for many</p>

<p>throughout the year for each class</p> <ol style="list-style-type: none"> 3. Transport to festivals 4. Reflective cross country safety bands 5. A4 waterproof clipboard – cross country 6. Sports MTA 	<ul style="list-style-type: none"> • Year 4/5/6 attended the hockey/badminton/basketball (28/09/17) • Year 3 and 4 attended the tag rugby/badminton/tennis festival (15/09/18) <p>The children are developing their confidence and resilience from taking part in interschool activities. The teachers have developed their skills throughout the year with the CPD provided and are confident to teach all aspects of PE.</p> <p>Children are making friends and links with children from other schools and are becoming friendly with children in the wider community.</p>	<p>children and they have embraced it as an important part of their daily routine.</p> <p>Cross country equipment has been purchased to ensure that we are able to continue training sessions regardless of weather conditions. This ensure that all children remain visible and safe in our rural environment.</p>
<p><u>2017-2018 – Year 6 swimming report.</u></p>	<ul style="list-style-type: none"> • 83% of Year 6 children can swim the minimum requirement of 25 metres. • 83% of Year 6 children can perform a variety of strokes effectivity when swimming the minimum requirement of 25 metres. • 83% of Year 6 children can perform safe self-rescue in different water-based situations <p>Our swimming programme supports children in years 2, 3, 4 and 5 to meet this requirement by Year 6. Children who have not met this objective are offered a further opportunity.</p>
