Together in Adventure and Discovery

6th July 2018

A Message From Mrs Best

The weary Eden Project travellers returned yesterday desperate to share every exciting detail about their adventure, but so tired they weren't completely coherent! The children spent a fabulous four hours at Antony House on the way, followed by the afternoon and evening absorbed in activities in the Eden Project. The meals were apparently delicious and the sleeping arrangements sounded great fun! A huge thank you to Miss Colebrook-Clark for organising and running the trip, along with Miss Jenkins and Mrs Plumb. What a fantastic opportunity for the whole of Class 2.

Our governors met this week for their half termly visit, keeping up to date with the current successes and contributing to discussions and plans about the future of the school. Mrs Plumb has reached the end of her four year term as a staff governor and we would like to thank her for the time she has spent, the extra effort she has put in and the dedication to consistently improving the school. We would

also like to thank parent governor, Natalie Knight, for the time she has given this year; she is also stepping down as a governor.

I am sure you have all heard about the brilliant visit from Jake Shaw-Sutton, senior robotics technician from Plymouth University. Class 3 were treated to an amazing afternoon, being introduced to the world of robotics with practical demonstrations of different robots, such as the Pepper Humanoid and Quadcopter Drones, along with videos demonstrating other robots and what is possible. The Class 1 children were also thrilled to be invited along to meet the robot! These sessions provide such inspiration for the children and we are keen to welcome Jake back soon!

Year 5 and 6 attended an author presentation at saltash.net with Chris Higgins, who has written 25 books and was launching her latest: A Boy Called Ocean. Again, this experience provided our young people with ideas for their future careers and life style choices.

We enjoyed a lovely celebratory assembly with Mr Buckley, the CEO of SMART, when he presented two awards. The first was for Jerlin, who was rewarded for her outstanding effort within the student council with a certificate and a family pass to the Eden Project. Jerlin was totally astounded and delighted! After this, Mr Buckley presented an award to Miss Neeves for her nomination for teacher of the year and read out a beautifully written, personal letter to Miss Neeves from Michael Morpurgo. We are all so proud of her recognition and love sharing her success.

Mrs Best.

End of Term

Letters

Please read letters carefully, we often ask for a permission slip, which we legally must have. Also Debbie made

eight extra packed lunches out of nothing on Wednesday for children attending the Eden Project trip, who

had not requested a lunch. We are lucky to have a school cook who is so flexible and willing to go to extreme lengths for our children.

Assembly

Reminder about our End of Topic Showcase Assembly on Tuesday 10th July at 9.15am. All parents are welcome to attend!

LANDULPH PTA INVITES YOU TO

Leavers Disco

Class 1 - Daniel
Class 2 - Caden
Class 3 - Jerlin

Parent Pay

If you use Parent Pay please can you make sure your account is up to date by the end of term. Thank you!

PTA Weekly News

A Big Thank You! We recently asked the staff what we could buy the classes to help with their day to day learning, we thought you would like to see what we have been purchasing over the last few weeks and have now donated to the school. We are able to do this because of the support you give us with our fundraising, I know the staff and children appreciate it ♥ Here is the list: ➡bug counters ➡jumbo tweezers ➡magnetic numbers ➡play money ➡baby dolls ➡duplo community people ➡Lego fantasy mini-figures ➡magnifying glasses ➡felt tips ➡buttons ➡plastic animals ➡wall stapler ➡drying rack for art ➡glue guns ➡colouring pencils ➡coloured paper ➡atlases ➡paintbrushes ➡paint pots ➡paints ➡dice ➡drawing paper ➡rechargeable torches ➡electricity kits ➡friction ramp ➡pipettes ➡metric beakers ➡rock kit ➡soil kit ➡batteries.

Help Needed! The PTA will be running a stall at Pengrillie on 15th July and we're looking for little toys, little bits of treasure and jam jars for a stall. It could be a little figure, a car, a kinder egg toy...anything that will fit in a jam jar. If you could help with anything, no matter how small we'd be really grateful. You can leave anything in the PTA box in reception.

Volunteers We are also looking for volunteers to help run the stall on the day – could you spare a few hours? Contact us on Facebook or speak to Sarah Hopcroft (Class 3 Mum) directly.

Save the date – End of term Disco! Thursday 19th July. See the poster above for more details.

Cake Raffle Oscar, from Class 3, was the lucky winner on his 9th Birthday, the cake was baked by Harry's Mum in Class 3. Remember for just a £1 you can enter the raffle held every Friday for your chance of winning a delicious cake. If you send your children in with money on the bus, then just message us on Facebook and we'll intercept them as they come off the bus. Could you help us bake a cake? You get a free entry into the cake raffle the following week if you do.

Contact your PTA on Facebook Type in Landulph School PTA and request to join the group, we will then approve your request and you can keep up with the latest PTA news. Or do it the old-fashioned way and speak to one of us in the playground, there's a PTA parent in each class – just ask!
