### A Message From Mrs Best

This week started with an action packed, apple activity day. The sun shone as the children and staff involved themselves enthusiastically outside on the field. Throughout the day, we worked in groups from all the different classes, apple printing with paint, making scarecrows and creative apple creatures. The best part of the day was preparing apples for an enormous apple crumble, which we cooked on the forest school open fire. This was delicious!

### Staffing News

This week, we have successfully appointed a new Teaching Assistant, for this academic year, to support Class 3. We are very keen to welcome Miss Lomas. She will be working with Class 3 in the mornings and as our third lunchtime supervisor, focusing on encouraging the children to be more active over the lunch break. I know she is excited to join us and she will commence her role on Monday.

### Headteacher Vacancy

The advert for Landulph School's new Headteacher is live and can be found with the link below:

Please do share far and wide. The interviews are scheduled for the end of this half term and we will keep you posted with any updates.

The weather is so interchangeable at the moment, cold mornings and lovely and warm by the afternoon. Please can we ask that coats come in regardless, so that your child is always prepared to venture outside.

I hope you all have a lovely weekend.

A member of the PTA will be by the school front door on Friday morning to collect monies, alternatively you can send money with your child on the bus. Digital camera requests Have you got a digital camera in a drawer that you no longer use? School are on the hunt for some cameras for each class. Most of us now use our mobile phones as a camera so we thought we'd ask if you could help.
