

Landulph School Newsletter

Together in Adventure and Discovery

11th September 2020

A message from Mrs Ball

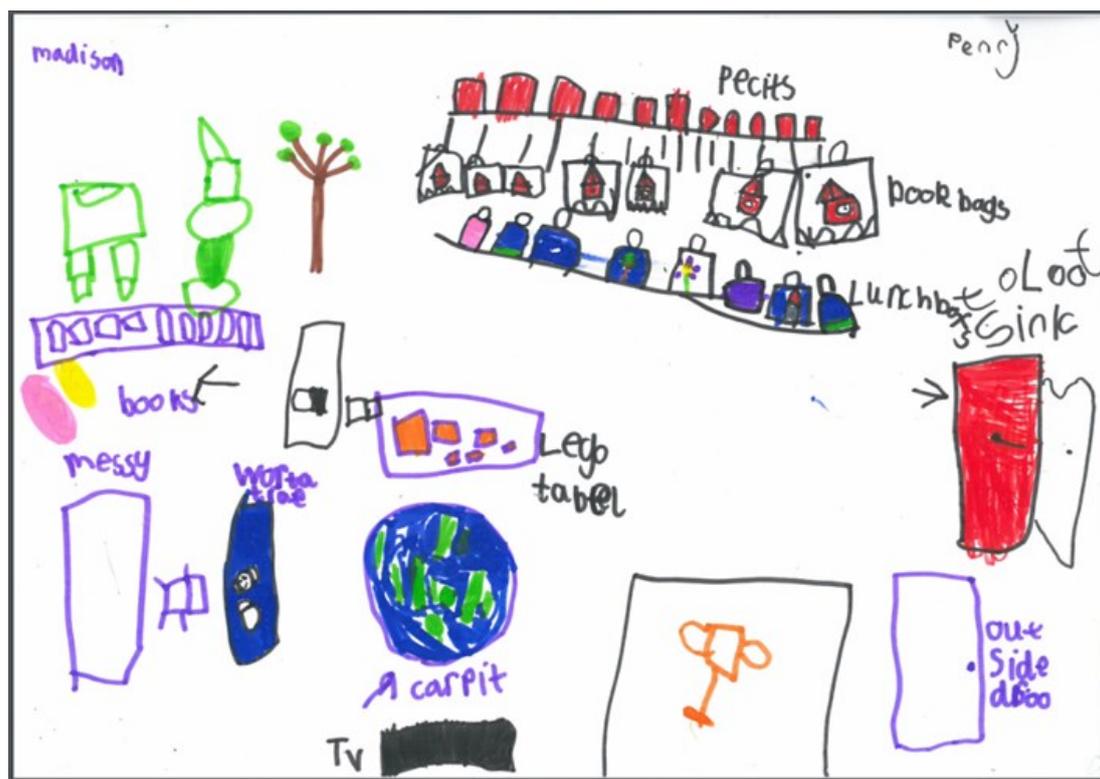

It has been absolutely fantastic to welcome you back to Landulph, we have missed you all so much over the last months and we are delighted to be getting our school back to as near normal as we are allowed to in these strange times. A huge well done to everyone for coming back into school so calmly and sensibly. Our children are fabulous and the classrooms have been filled with smiles, joy, happiness and fun. We are so proud of how the children have returned and thrilled at how pleased they all are to be back with their friends and teachers. We have very much focused on mental wellbeing this week settling the children into new routines and hygiene procedures and focusing on curriculum enrichment.

Although school is a bit different now, we have appreciated your support as we get our COVID procedures and routines in place. We are determined to have a great school year and hope you are ready for the fun learning year ahead.

Foundation Children

We would like to give a great big Landulph welcome to our Class of 2020 as they start their transition sessions next week. As well as some siblings, we have some new families joining us and we look forward to getting to know them all. Class 1 have been busy drawing maps to help you find your way around the classroom.

Breakfast Club & Afterschool club

Thank you for your support and understanding in helping us get our wrap around provision back up and running with the new COVID measures in place.

We are now fully operational, so if you would like to book your child in, please can you make sure you do this in advance. If your child attends either of these provisions they will remain with other members of their class bubble and be socially distanced from the other bubbles.

Over the summer Miss McCarthy secured a new position and so will be leaving Landulph at the end of September. We will all really miss her but we wish her well with her new job. We are busy recruiting someone to take on this role.

Music lessons

Music lessons will return on the 22nd September. We have been working closely with Mr Jane our music teacher to ensure the necessary COVID procedures are in place. If your child currently has a lesson, you will receive a message from Darren over the weekend asking if you would like to continue.

We may have some spaces available for Keyboard lessons. Your child can have a group lesson (with other children from their bubble, which we would organise) or they can have individual lessons. The charges for the lessons are below.

We will set up a waiting list on a first come first served basis and then allocate as soon as we know what spaces are available. Please email Elaine (secretary@landulph.cornwall.sch.uk) if you would be interested in a place for your child.

<i>Length of lesson:</i>	25 mins		
<i>Cost per lesson:</i>	£5.50	group of 3,4 or 5	(Keyboard only)
	£7.00	group of 2	(Keyboard only)
	£10.00	Individual	(Keyboard)

School Dinners

Don't forget the kitchen is back in operation again and Debbie is providing delicious hot meals every day. If your child is in Foundation, Year 1 or Year 2 they are entitled to universal free school meals. School dinners cost £2.30 per day for other years. Debbie has also asked if packed lunch children can remember their own cutlery as she has lent out quite a lot this week!
