A message from Mrs Ball

As I have walked around school this week, I have seen our children enjoying their learning and feeling fully comfortable as they enjoy their time with their friends in school. Our additional measures which have been put in place have simply become part of school routine now and our children are loving being back at school. This shows what a fabulous job the staff are doing in ensuring that our children's mental health and well-being is being prioritised alongside academic achievement. I would like to take this opportunity to thank them for their care and commitment to this.

Learning this week...

Class 1 – Have been writing a story map about 'Pete the Badger', finding and identifying leaves in Wild Tribe and playing superhero games in PE.

Class 2 – Have finished 'The Black Dog', they have been adding and subtracting in Maths, and in PE the have been practising their hockey skills.

Class 3 - Have been enjoying their class book 'Can you see me' and learning how we can all be more inclusive and supportive of everyone around us. They have also been busy mastering subtraction and enjoying their Thursday Hockey lessons.

COVID 19

I am sure that you have all been aware of the news this week and the Government's new three-tier approach to tackling COVID-19. This does not change things for us at school at the moment, but I feel it is important we remember our responsibilities as members of our community.

A message from Elizabeth Usher, Chair of Trustees – Saltash Foodbank

This has been a difficult year for everyone, and not least for schools, and we wish you all well and safe. We want to thank Landulph School for continuing to support the Saltash Foodbank. The donations the Foodbank receives throughout the year, but especially at Harvest and Christmas, shows the very real generosity of young people and their concern for their communities. Thank you
