Together in Adventure and Discovery

2nd October 2020

A message from Mrs Ball

We have been so lucky with the weather for the start of the Autumn Term, and it has certainly made the return to school easier to manage in the light of the additional measures we have had to introduce. As the cooler weather is now upon us, I would like to remind you all to ensure your child has warm, waterproof outer-wear in school every day as we will continue to spend as much time as possible outside.

The weeks seem to be flying past, the children are back into routine and settled in their new classes. Hearing all their laughter certainly raises everyone's spirits. They really are an inspiration to us all.

Learning this week....

Class 1 have been practising 'super sentences' and reading the 'Tidy' book

Class 2 have been reading 'The Black Dog' story, rounding numbers in Maths and learning about Forests

Class 3 – have been watching the film 'Alma' in preparation to write a story. In Maths they have been learning about negative numbers, decimals and rounding numbers. They have also learnt how to play hockey in PE! Their topic this term is Cities.

Today we thoroughly enjoyed our first 'virtual assembly'! It was lovely to connect with all of the children.

The classrooms are colder than normal as we have to keep the air circulating because of COVID so windows are open.

With the weather on the turn please can you make sure your child has their school jumper in school and their waterproof coat with them every day.

We appreciate it is an additional expense but with the inclement weather upon us, it would be great if you could provide your child with a **pair of welly boots** to keep in school for break times, wild tribe and outdoor learning.

P.E. kit – remember black tracksuit bottoms can be worn especially as it gets colder and they should wear their school jumper on top of their sports t-shirt (not branded sports jumpers or jackets).

COVID Update - Hands, Face, Space

We continue to monitor this ever-changing situation and I receive regular communications from the government, county council and public health team with the latest information and guidance. Please be assured that we are doing our utmost in school to keep everyone safe – this includes regular handwashing, cleaning of frequently touched surfaces and ensuring the children stay in clear, consistent bubbles.

Parents Meetings

Due to the current COVID-19 situation, we are unable to hold face to face meetings with parents and carers. Instead we will be offering telephone appointments during the week beginning 9th November. We will send you further information nearer the time.

Welly Racks

If anybody has any leftover pieces of wood and the skillset to help us to build welly racks for each class so that they can be stored outside, it would be amazing.

Please let us know if you think you might be able to help.

Breakfast and Afterschool Club

Wraparound care is now fully operational, we just ask the you book in advance. If your child attends either of these provisions they will remain with other members of their class bubble and be socially distanced from the other bubbles.

Breakfast club is organised by Mrs Plumb, and this opens for all pupils from 7:45am on all days that children are in school. Breakfast club costs £3.50 per child, and breakfast is included.

Afterschool (Little Owls) club is organised by Mrs Johnson. Afterschool club is open until 5:30pm with the costs as below. All sessions include a snack.

3:15pm – 4:15pm – £4
4:15pm – 5:30pm – £4
3:15 pm – 5:30pm – £7

To book in, please email bookings@landulphcloud.net the week before the care is required. If you book on Parent Pay please also send an email. In emergencies please contact Miss Potterton in the office.
